FIELD DAY NEWS: Friday, June 15, 2018 – ALL DAY!!!

Field day notices went home this week. If you haven't received one, please contact the office. We need volunteers – on the form it says someone will contact you – we are making it very simple this year – ***Please Just Show Up*** at the school at the designated time that you choose.

“no phone calls necessary”.

Spirit Day (During Field Day) – Please make sure your child wears a hat (to keep the sun off their heads and face; please make sure your child has a water bottle with his/her name on it for the day and if they have a blue t-shirt – they are encouraged to wear one but if they don't they can wear any t-shirt. Please make sure they wear sneakers as they will be very active and sandals/flip flops are not appropriate foot wear for Field Day. Bug spray/suntan lotion will need to be applied on your child before they come to school We are **NOT** allowed to have either of them here at the school. You are welcome to come back in the afternoon to reapply if you feel it is necessary. Please check your child for ticks when they come home that day – we will do our best to notice any here but it is ALWAYS a good idea to recheck at home after school everyday

To Residents of Preble Road and all other town members: A town committee has been working on plans to bring a Summer Food Service Program to Bowdoinham. This opportunity will allow the town to provide free lunches to any student in our community on Tuesdays and Wednesdays, from 12:00-12:30. The site of the program will be the Community Room at Bowdoinham Estates, on Preble Road. The committee is inviting residents of the neighborhood to be involved in the process. The next planning meeting is this Monday, June 4th, at 6:00pm at the school. If you are interested in being involved, but cannot make this meeting, please email Kathy Savoie - ksavoie@maine.edu. Thanks!
